1949 — 1986

We are dedicating this year's Comet to Mrs. Carol Lawrie, a teacher and 1967 graduate of Bellevue Senior High. While at Bellevue Senior High, Mrs. Lawrie was a member of band, choir, National Honor Society, Future Teachers of America, and the Comet Staff.

After graduating from Miami University, she returned to her alma mater and began her career by teaching biology. Later, she changed to teaching students with learning disabilities. She taught in this area until her death in December of 1986.

Mrs. Lawrie's family was very important to her. She and her husband, Richard, had four children, Becky, Sara, Andy and Daniel. She was very proud of her family, and their happiness was her primary concern. This was a major factor in her determination to fight the battle that she had with cancer.

Mrs. Lawrie was a true supporter of Bellevue Senior High and this was evident by her attendance at most school and athletic events. She was a teacher committed to her students, and her best lesson was "life". She will be remembered as brave and determined. To our teacher and friend this yearbook is dedicated. Mrs. Carol Lawrie was an inspiration and will continue to inspire us with a love of life.

Sensational Sounds

The Bellevue Senior High choir, under the direction of Mr. Richard H. Dundore, Sr., climaxed the events of the 1986-87 school year at their Pops Concert on May 8, 1987. Accompanied by Pam Creech and Sharon LaBonte, the group of talented individuals put on a memorable production consisting of various pop songs from both recent and older time periods.

The choir consists of approximately 82 high school students who perform for many area organizations and functions. Added to their schedule this year was a performance at Portside in Toledo during the Christmas holidays.

The boys' chorus, the girls' chorus, and the mixed chorus each received excellent ratings at the District II Ohio Music Education Association contest in Oak Harbor on March 13.

Band Strives For Perfection

Through hard work and dedication, the 1986-87 version of the Bellevue band shined through another strong year. Beginning in early August, these talented students practiced for performances at every football game, each performance being a little better than the previous one. They also accompanied the cheerleaders at pep rallies.

The pep band performs at basketball games and was also invited to Heidelberg College in Tiffin to play at one of The College's basketball games.

The conclusion of the football season brought on the challenge of the Concert band. This spring the band received straight 1's, the highest rating at district level and an excellent in state competition, awarded by the Ohio Music Educators Association.

To conclude their year, the band had an opportunity to perform at the State Office Tower in Columbus, for Youth Art Month, in May.

Art In All Forms

The 1987 Art Show, held on May 15, had a new look. Contributions from the metal shop, wood shop, and Spanish classes made this year's Art Show even more complete than in previous years. These were displayed on tables to accent the surrounding art works by Mrs. Bankowski's art classes.

F.F.A., F.H.A. Host Banquets

The 1986-87 FFA and FHA had very successful years. Both organizations had full schedules competing with other area and state level schools. The FFA, as in previous years, came away at the state level with over 11 awards, in such areas as poultry production, wildlife production, forestry, livestock judging and outdoor recreation, and from these awards, Tracy Dendinger, Brian Zieber, and Stacy Heal will all be traveling to compete nationally in September 1987.

The FHA had many awards as well. Under the direction of Kim Root, Deb Albright, and LeRose Meadows, the group collected more than a dozen state competition awards, dealing with projects that included "Coping with Crisis", "Job Application and Interview", "Chapter Activities Display", and "Parliamentary Procedure". Learning Through Experience

When most of us think of school, we consider books, classes, and nightly homework. At EHOVE, students get more than the normal schoolwork by taking on the challenge of learning a trade. The vocational opportunities which EHOVE offers include such things as child care, horticulture, data processing, commercial arts, auto mechanics, and cosmetology.

Students from Erie, Huron, Ottawa, and other area counties come together to form the large vocational school, located in Milan, Ohio. Here they gain both their diplomas as well as hands on experience to prepare them for the future.

Seniors Step Into Future

Diplomas were presented to the 184 graduates by members of the board of education on a sunny and windy Sunday. June 7th will always be remembered by the class of 1987 as one of the windiest days of their life. The day was also filled with the usual tears and sorrows as the graduates finally let go of their high school years and stepped into their futures.

For the sixth consecutive season the Varsity Redmen started out their season with a victory over the Huron Tigers. This victory set the ball rolling as Bellevue won their next three games before they were handed a disappointing 8-16 defeat by Shelby. The following week the Redmen climbed from their defeat to a well-earned comeback victory beating the defending State Champs, the Galion Tigers, 3-0. This ended Galion's 20-game winning streak and gave Bellevue a Homecoming victory. The following week Bellevue faced Bucyrus, beating them 26-6. At this point Bellevue was tied for 1st in the NOL with three games left to play. Luck was not on the Redmen's side the next week as Willard knocked them out of 1st with a disappointing 14-12 loss. The Redmen then lost to Tiffin the following week. The Redmen needed a victory over the Upper Sandusky Rams for a shot at the playoffs. But it was not to be as the Redmen lost 20-7 suffering their worst defeat of the season and finishing with a 6-4 record.

Bellevue's Junior Varsity started their season on the right foot as they shut out their first two opponents of the season before they were defeated by Upper Sandusky. The JVs then came back to beat previosly undeafted Norwalk and tie the Shelby Whippers. Galion handed them their worst loss of the season. THe team didn't hesitate to jump back and win all three of their finish games to finish the season 6-2-1.

The Freshmen also got off to a good start, defeating Shelby 8-0. Then they tied Galion the following week before beating Bucyrus and shutting out Tiffin Calvert. The freshmen lost their last two games finishing the season at 4-2-1.

Boys Continue Success

MVP: Matt Turner

The 1986 Boys Cross Country Team continued the success of past Cross Country teams. The team finished with a 5-3 dual meet record. The Redmen also placed 1st in the Perrysburg Invitational, 2nd at the Tiffin Invitational, and 3rd at the Maumee Invitational.

The harriers raced to a 2nd place finish behind Shelby at the NOL meet. Co-Captains Matt Turner and Brian Hicks led the way finishing 2nd and 4th respectively.

Enroute to the State Meet held in Columbus, the runners finished 2nd in the District and 2nd in the Regional. At the State Meet the Redmen runners finished 3rd. Turner and Hicks earned All-Ohio honors at this meet.

Because of a total team effort the 1986 Boys Cross Country proved that hard work and determination do pay off.

Blood Drive A Success

Jennifer Chapman prepares to donate her second pint of blood.

The annual bloodmobile was held at BSHS on May 15. The Future Nurses of America sponsered the drive, which collected a total of 54 pints.

Students were excused from study hall to donate blood. Several students have donated repeatedly. Kevin Oney, Jerry Risner, and Earl Townsend have donated six times; Todd Ferguson, Dan Hill, Ben Mira, Steve Petrick, and Tracy Wheeler have all donated four times.

Faculty members are also frequent donors. Mr. Dundore has given blood 59 times, Miss Allen 35 times, Mr. Wise 24, Mrs. Lindsey 23, Mr. Bailey 20, and Ms. Janezic 14.

F.N.A. members, with the help of advisor Mrs. Westerhold, organized and operated the bloodmobile.

What Homework?

The dog ate it.
The teacher didn't assign it.
The house burned down with my books inside.
I was absent.
It was too nice outside to do homework.
I left it in my locker.
There was a good movie on t.v.
I ran out of notebook paper.
I had to clean my room.
I left it on the bus.

I fell asleep.

Say It With Flowers

Each year at Valentine's Day students can buy carnations to send to their friends. For years the French Club sponsored this event, but because the French Club was not held this year, the Spanish Club took over.

The carnations are sold in three colors. Red flowers are sent to your true love, pink are from a secret admirer, and white flowers are for good friends.

The event was very popular this year. The flowers were stored in the cafeteria coolers before distribution, and the flowers outnumbered the food.

The Spanish Club advisors, Mrs. Close and Mrs. Shanabrook, organized the sales and distribution with help from Mrs. Holzwarr. The club used some of the profits from the sale to hold a Spanish dinner.

They Can't Beat The Heat

Above, the Varsity football team prepares for the season opener against Huron. **Below**, the Marching Band learns a half-time show to use in the first game.

The school year starts earlier for some people than others. The football team, Marching Band, volleyball team, golf team, girls tennis team, and cross country teams all begin practice in the summer.

These students give up their vacation time so that they are ready when the fall athletic schedule begins. The teams practice up to four hours a day in the summer heat.

Angie Seamon demonstrates her skill at wrapping injuries.

Lady In The Locker Room

Angie Seamon has become an invaluable part of the Bellvue athletic program. She has served as trainer-manager for the boys teams since she was a sophomore.

Angie's job is a difficult one. She is usually at school for 12 hours a day, working with the athletes. She does laundry, wraps injuries, and talks to the players. The guys see her as "a friend and an equal - not as a girl."

Mr. Meador first got Angie involved with the sports program. They were discussing health-related careers, and Mr. Meador suggested helping with the teams. Mr. Meador says, "She's really done a good job. She has developed a good rapport with the teams and saves the coaches a lot of time."

Angie says the most rewarding part of working with the teams is getting to know a lot of people. She plans to continue her interest in athletic training, studying sports management at Bowling Green State University.

Hearts Up!

Each holiday season the library windows are decorated with student messages. Mrs. Holzwart, "Mums", stays after school preparing the paper cut outs. All of the preparation is done on her own time. Decorations are put up for Halloween, Thanksgiving, Christmas, Valentine's Day, St. Patrick's Day, and Graduation. Valentine's Day is the most popular; the hearts filled up three sections of windows. Students can write messages to their friends, but Mrs. Holzwart checks all messages to make sure they are suitable. The above is one example of "Mums" extensive involvement in the school.

Bellevue Alumnus Returns To Teach Shop

Proudly displaying their class projects are Kyle Tester, Tom Herman, and Tony Sberna.

This year was Mr. Shawn Beamer's first as woodshop teacher at BHS. He is only at the school for two periods a day.

Mr. Beamer's three major goals for the year were to reorganize the shop, to allow the students to make the kinds of projects they want, and to obtain better tools and equipment. He has accomplished these goals. Mr. Beamer thinks that allowing the students to make what they want creates "more motivation and interest."

This year woodshop projects were displayed in the library and at the Art Show. Next year Mr. Beamer will be here full time. He hopes to challenge the students more to reach their full potential.

We believe in tomorrow

We know the way we do business today will be reflected in our ability to meet tomorrow's human needs. One challenge is to improve existing products and to find new ways of meeting the needs of a society growing ever more complex. Another is to provide good business leadership.

Our commitment to tomorrow takes many forms

- a multi-million dollar investment to improve and protect the environment in and near our plants
- products engineered and built to reduce their energy and water consumption
- a commitment to educational opportunity through scholarships and grants for higher education, and through our own continuing education programs
- a restatement of our long-standing dedication to the highest standard of business ethics
- candid discussion regarding the strengths of our free-market economic system and the quality of life it has built for our country, and
- profits to provide new facilities, more jobs and employment security; to pay stockholder dividends; and to attract additional private investment.

Whirlpool people will continue to design, build and service quality home appliances. And we will maintain our awareness of the social responsibility of our impact upon today and tomorrow.

Thinking ahead is our key to staying ahead.
